

Features

- Concentrated and must be mixed with water
- Biodegradable
- Use on metal, fiberglass, vinyl, and masonry surfaces
- Rinses clean with no residue

Recommended For

Cleaning floors, walls, equipment, concrete, asphalt, vinyl, metal, plastic, fiberglass, tools, brushes, rollers, and spray equipment.

HEAVY DUTY DEGREASER CL-0100

General Description

INSL-X® Heavy Duty Degreaser is a concentrated cleaner that is designed to permeate into voids, cracks, and crevices, converting any oil, grease, and animal by-products into a soapy solution which floats up and out of a surface during the rinsing process.
